25	2017 Port Users' Annual Satisfaction Survey (PASS)	Philippine Ports Authority	01-Jul-17	15-Apr-18	The 2017 Port Users' Annual Satisfaction Survey (PASS) aims to measure the level of satisfaction of the port users (i.e. passengers and shipping lines) on the quality of services and facilities of PPA subsequent to the improvements that the PMOs have introduced as a response to the previous assessments. The project will also evaluate the responsiveness of PPA to the needs of the port users.
26	GQMP: Quality Management System Expansion and Transition to ISO 9001:2015 for the Philippine Health Insurance Corporation	Philippine Health Insurance Corporation	29-Aug-17	29-Apr-18	The project aims to facilitate the expansion and transition of the current QMS of the PHIC to ISO 9001:2015 and expand its scope to cover all processes and all sites of PHIC.
27	Course on Basic Project Management (Public Offering) Batch 1	Public Sector	01-Feb-18	30-Apr-18	Course on Basic Project Management is designed to provide a comprehensive understanding of the concepts and approaches on planning and management of development programs and projects.
28	Development of a Quality Management System (QMS) Certifiable to ISO 9001:2015 for the LGU Bacnotan	LGUs	21-Oct-16	30-Apr-18	In consideration of the LGU Bacnotan's organizational needs, the project aims to facilitate the establishment of a QMS certifiable to ISO 9001:2015 Standard. Specifically, it shall: a. Enhance the understanding and appreciation of LGU Bacnotan officers and staff on the principles and requirements of ISO 9001:2015 QMS; b. Develop the capabilities of key officers and staff of the LGU Bacnotan in preparing for and sustaining the ISO 9001:2015 certification; and, c. Prepare the documentation and implementation requirements for the certification of LGU Bacnotan QMS and for maintaining and sustaining the established QMS.
29	Municipal Leadership and Governance Program MIMAROPA Batch 1 Cycle 2	Department of Health	01-Jun-17	30-Apr-18	MLGP is an eighteen-month leadership program for LCEs and MHOs, which is supplemented by coaching and mentoring sessions from DOH-CHD during practicum.
30	Technical Guidance on Quality Management System Transition to ISO 9001:2015 Standard for the Bases Conversion and Development Authority	Bases Conversion and Development Authority	23-Oct-17	30-Apr-18	The Bases Conversion and Development Authority (BCDA) has successfully obtained ISO 9001:2008 certification for its quality management system (QMS) covering the provision of conversion and development services for land and assets under the jurisdiction and control of BCDA. Now for a QMS transition in 2017, the BCDA aims to align its current QMS to the requirements of ISO 9001:2015 standard. In this regard, the BCDA has requested the Academy's Productivity and Development Center to provide Technical Guidance on Quality Management System Transition to ISO 9001:2015 Standard for the Bases Conversion and Development Authority.
31	Development of a Quality Management System Certifiable to ISO 9001:2015 for the Eastern Samar State University	Eastern Samar State University	03-Aug-17	30-Apr-18	The Eastern Samar State University will undertake the development of a QMS certifiable to ISO 9001:2015 standard to comply with EO No. 605 and to deliver its vision of being a synergistic multi campus university producing competent, value-laden and globally competitive graduates who are proactive in promoting the economic prosperity of the country.

#	PROJECT TITLE	CLIENT	PROJECT START	PROJECT END	PROJECT DESCRIPTION
32	Study on the Situation of Children with Disabilities in the Philippines	United Nations Childrens Fund	17-Jul-17	30-Apr-18	The general objective of this study is to assess the situation of children with disabilities from the key sites in the Philippines, using the life cycle lens, bio-psycho-social model of disability and the inclusive development approaches. More specifically, the study is intended to: <ul style="list-style-type: none"> • Increase knowledge and awareness about the situation and rights of children with disabilities • Analyze the extent rights of children with disabilities are being exercised or violated • Identify existing bottlenecks and barriers, including at societal, economic institutional, and individual levels • Identify existing policy and programmatic responses to address those bottlenecks and barriers in the exercise of their rights • Identify what children themselves and their families see as the most pressing needs • Clarify the governance structure around children with disabilities, the roles and responsibilities of implementing and coordinating agencies, both at the national, inter-agency and local government unit levels.
33	Technical Guidance on Quality Management System Transition to ISO 9001:2015 Standard for the Governance Commission for GOCCs	Governance Commission for Government-owned and Controlled Corporations	01-Jan-18	30-Apr-18	The Governance Commission for Government Owned or Controlled Corporations (GCG) has successfully obtained the ISO 9001:2008 certification for its provision of corporate standards and policies and governance services in 2014. Now for a Quality Management System (QMS) transition in 2017, the GCG aims to align its current QMS to the requirements of the ISO 9001:2015 standard.
34	Development and Certification of ISO 9001:2015 Quality Management System for the Light Rail Transit Authority	Light Rail Transit Authority	28-Jul-17	30-Apr-18	The project aims to facilitate the establishment and certification of the ISO 9001:2015 QMS for the LRTA covering its management, operations and support processes.
35	Development of a Quality Management System Certifiable to ISO 9001:2015 for the National Historical Commission of the Philippines	National Historical Commission of the Philippines	15-Feb-17	30-Apr-18	The project aims to facilitate the establishment of ISO 9001:2015 QMS for the National Historical Commission of the Philippines covering its management, operation and support processes.
36	GQMP: Quality Management System Expansion and Transition to ISO 9001:2015 for the Department of Foreign Affairs	Department of Foreign Affairs	05-Sep-17	30-Apr-18	The project aims to facilitate the transition of the current QMS of the DFA to ISO 9001:2015 and expand its scope to cover passport service.
37	Training Course on Bridging Leadership	Public and Private	01-Feb-18	30-Apr-18	The Southern Philippines Development Authority expressed interest to capacitate selected personnel through the Development Academy of the Philippines – Mindanao. DSM will employ an adult learning approach to inculcate the concept of Bridging Leadership. This initiative encouraged DSM to open a training course on BL for the public; providing an enabling environment for the participants to experience this leadership journey and realizations.

#	PROJECT TITLE	CLIENT	PROJECT START	PROJECT END	PROJECT DESCRIPTION
38	e-Learning Course on Management Innovation in SMEs	Asian Productivity Organization	02-Nov-17	30-Apr-18	The videoconferencing-based course will be a learning platform for SMEs to learn and share the latest trends and information on management innovation to achieve first-mover advantages, enjoy product success, capture market share, develop innovative, creative cultures, and ensure long-term sustainability so that they can enhance both their productivity and, more specifically, competitiveness in local and global markets. The capacity to innovate in today's world is as important for SMEs as for larger enterprises. Greater competitive pressure and uncertainties in the external environment mean that the creation and introduction of new products/services, as well as of their components and related procedures and/or processes, are constant requirements.
39	Monitoring, Evaluation, Accountability and Learning (MEAL) Training for Mindanao Local NGOs	Nonviolent Peaceforce Philippines	15-Mar-18	30-Apr-18	Training on Monitoring, Evaluation, Accountability and Learning for local NGOs in the Autonomous Region in Muslim Mindanao (ARMM)
40	Participatory Program/Project Development and Management Training	Department of Environment and Natural Resources	01-Dec-17	01-May-18	The Project Development and Management Training for the MBCO Technical Staff is a five-day live in training workshop that hopes to strengthen and improve the project management competencies of the staff for the implementation of the OPMBCS.
41	Training on Basic Policy Process for Forest Management Bureau	Forest Management Bureau	05-Feb-18	04-May-18	The Development Academy of the Philippines' Center for Governance Policy Research Office is offering a three-day live-in Training on Basic Policy Process to a group of executive officials, directors, division chiefs, and staff. The training aims to deepen the participants' understanding on basic concepts and steps in developing a sound policy.
42	Course on the Basic Policy Process	NLAs and GOCCs	13-Mar-18	13-May-18	The Course on the Basic Policy Process (CBPP) is a three-day non-residential training that aims to build and strengthen the capacities of the participants in developing and crafting policies, geared towards the fulfillment of agency's mandate. Specifically, the course will help the participants to better understand the theoretical underpinnings and components of the policy process as well as the range of tools for policy development and implementation.
43	Technical Guidance on Quality Management System Transition to ISO 9001:2015 Standard for the Social Housing Finance Corporation	Social Housing Finance Corporation	07-Nov-17	15-May-18	The project aims to facilitate the transition of the SHFC's ISO 9001:2008 certified QMS to ISO 9001:2015 certifiable QMS

#	PROJECT TITLE	CLIENT	PROJECT START	PROJECT END	PROJECT DESCRIPTION
44	Training on Strategic Planning (Public Offering) Batch 1	Public Sector	03-Apr-18	15-May-18	The Strategic Planning Course is a five-day non-residential training course designed to provide a venue to obtain the needed competencies for translating organizational directions into workable strategies, determining appropriate performance measures, setting challenging but realistic targets and profiling initiatives.
45	GQMP: Development and Certification of ISO 9001:2015 Quality Management System for the Metropolitan Manila Development Authority	Metropolitan Manila Development Authority	25-Jul-17	30-May-18	The project aims to facilitate the establishment and certification of the ISO 9001:2015 QMS for the MMDA's management, operations and support processes.
46	Technical Guidance on the Implementation of a Quality Management System Certifiable to ISO 9001:2015 for the Philippine Commission on Women	Philippine Commission on Women	06-Dec-17	30-May-18	To help government agencies, particularly the Philippine Commission on Women (PCW) to improve quality in their operations and service delivery through the implementation of a Quality Management System (QMS) certifiable to ISO 9001:2015 standard. To be able to achieve this, the PCW will have to undergo a series of capability building initiatives and technical guidance sessions.
47	Consulting Services for the Knowledge Co-Creation Programme of the "Revenue Enhancement Assistance in ARMM LGUs (REAL)" Sub-Project	Japan International Cooperation Agency	30-May-18	31-May-18	Considering the critical role that LGU leaders and managers play in managing local development, strengthening their capabilities will help ensure that their respective local government functions are performed efficiently and effectively. In this context, this project will provide capability development interventions to selected ARMM LGUs with an overarching objective to promote accountable and responsive local governance in ARMM.
48	City Leadership and Governance Program for DOH-Region IVA Phase II	Department of Health	15-Sep-17	31-May-18	The CLGP is a one-and-a-half year program composed of three modules with intervening practicum sessions, designed to empower city health officers to become Bridging Leaders. The program aims to address the social determinants of health and transform their local health systems to make its programs and service work for the community, especially the urban poor. The program is the enhanced Short Course on Urban Health Equity (SCUHE) designed and developed by the DOH and the DAP in partnership with the World Health Organization (WHO)
49	City Leadership and Governance Program for DOH-Region X (Iligan City)	Department of Health	15-Nov-17	31-May-18	The CLGP is a one-and-a-half year program composed of three modules with intervening practicum sessions, designed to empower city health officers to become Bridging Leaders. The program aims to address the social determinants of health and transform their local health systems to make its programs and service work for the community, especially the urban poor. The program is the enhanced Short Course on Urban Health Equity (SCUHE) designed and developed by the DOH and the DAP in partnership with the World Health Organization (WHO).

#	PROJECT TITLE	CLIENT	PROJECT START	PROJECT END	PROJECT DESCRIPTION
50	Senior Executives Class Batch 6	National Government	01-Sep-17	31-May-18	The Public Management Development Program (PMDP) is an intensive program that provides comprehensive and multi-modal learning opportunities for public managers. Its objective is to promote career advancement and promote stability in the bureaucracy by producing a corps of development-oriented, competent, dedicated and honest government middle managers.
51	Scope Expansion of the Quality Management System (QMS) Certifiable to ISO 9001:2015 for the Quezon City Government	Quezon City Government	17-Nov-17	15-Jun-18	a. Provide technical guidance in establishing the quality documented information, quality objectives and plans, and quality procedures. Specifically, the said technical guidance covers the following: (1) conduct of workshops and write shop sessions; (2) review of the workshop and write shop outputs; (3) provision of recommendations for improvements; and, (4) review of final documents to ensure their alignment with ISO 9001:2015 QMS standards. b. Provide technical guidance in cascading and implementing the QMS in the selected clusters and hospitals of QCG; and, c. Conduct readiness review of the QMS and recommend final preparations for the ISO 9001:2015 certification processes.
52	Sangguniang Kabataaan (SK) Mandatory Training for Mandaluyong City	Various Local Government Units	16-Apr-18	15-Jun-18	The Development Academy of the Philippines is mandated by the Sangguniang Kabataan (SK) Reform Act of 2015 to assist the National Youth Commission (NYC) and the Department of the Interior and Local Government (DILG) in the implementation of the SK Mandatory Training. The DAP is also selected to be a partner of Mandaluyong City in the implementation of the same program and/or conduct of training to its newly elected SK officials.
53	Training Course for Managers and Supervisors in the Public Sector Batch 7 (5Ps-B7)	Public Sector	01-Feb-18	15-Jun-18	The Training Course for Managers and Supervisors in the Public Sector (5Ps) seeks to provide the foundation for developing competent supervisors and managers who are able to create and maintain a high-performance, service-oriented, and productive work place that enables employee engagement. Premised on the framework of Service Leader, the course highlights 5Ps of management and leadership: (1) Personality; (2) Purpose; (3) Processes; (4) People; and (5) Plans to help achieve quality service and results.
54	Development of a Quality Management System Certifiable to ISO 9001:2015 for the North Luzon Philippines State College	North Luzon Philippines State College	10-Oct-17	15-Jun-18	To help government agencies, particularly the North Luzon Philippines State College (NLPSC) to improve quality in their operations and service delivery through the establishment of a Quality Management System certifiable to ISO 9001:2015 standard. To be able to achieve this, the NLPSC will have to undergo a series capability building initiatives and technical guidance sessions.

#	PROJECT TITLE	CLIENT	PROJECT START	PROJECT END	PROJECT DESCRIPTION
55	Training-Workshop on Risk Management	Public and Private	25-Apr-18	25-Jun-18	This training is a general introduction of Risk Management concepts for public managers. It is designed to provide guidance in the establishment of a Risk Management (RM) system within their organization and also experience how to use the relevant RM tools. As this will be both instructional and experiential for the participants, they will be able to elicit ideas on the usefulness of RM and reflect on how this can be replicated or conducted in their respective offices.
56	Municipal Leadership and Governance Program Central Luzon - Cycle 2 Batch 1	Department of Health	01-Jan-18	30-Jun-18	MLGP is an eighteen-month leadership program for LCEs and MHOs, which is supplemented by coaching and mentoring sessions from DOH-CHD during practicum.
57	Workshop on QMS Documents Enhancement for the Department of Public Works and Highways	Department of Public Works and Highways	27-Apr-18	30-Jun-18	the DPWH requested the Academy's Productivity and Development Center (PDC) to provide assistance to facilitate the conduct of "Workshop on the Revision of the Established Quality Management System (QMS) Documents for the Department of Public Works and Highways".
58	Competency Framework Development Course for the Public Sector	Public and Private	01-Apr-18	30-Jun-18	The Orientation Course in Competency Modeling and Position Profiling aims to develop a good understanding of and basic skills in facilitating the construction of competency models and position profiles. The orientation course uses a "guided task approach" in which the participants will learn the ropes of competency modeling and position profiling as they reflectively go through the procedure itself of creating basic competency models and position profiles. This gives the participants real "hands on" experience, a first-hand view of the complexities and challenges involved, and an "inside view" of the possible responses to these challenges.
59	Development of a Quality Management System Certifiable to ISO 9001:2015 for the Cavite State University	Cavite State University	01-Dec-17	30-Jun-18	The project aims to facilitate the establishment of ISO 9001:2015 QMS for the CvSU covering the provision of instruction, research, and extension services, including its management and support processes in its main campus at Indang, Cavite.
60	Development of a Quality Management System (QMS) Certifiable to ISO 9001:2008 for the Local Water Utilities Administration	Local Water Utilities Administration	22-Jun-16	30-Jun-18	The project aims to provide the necessary interventions to facilitate the establishment of ISO 9001:2015 QMS for the LWUA.
61	Development of a Quality Management System Certifiable to ISO 9001:2015 for the National Commission for Culture and the Arts	National Commission for Culture and the Arts	01-Oct-16	30-Jun-18	The project aims to provide the necessary interventions to facilitate the establishment of ISO 9001:2015 QMS for the NCCA covering its core processes, namely: policy development, coordination, and grant processing and releasing.

#	PROJECT TITLE	CLIENT	PROJECT START	PROJECT END	PROJECT DESCRIPTION
62	Humanitarian Governance Training for Local Decision Makers	Humanitarian Leadership Academy	01-Jun-17	30-Jun-18	The purpose of the project is to build the individual capacities of local chief executives, department heads, and/or local law makers on risk prevention, reduction, and management based on global humanitarian standards. This will be carried out through a face-to-face training and as an online training program.
63	Evaluation of Two DOH RO Mimaropa Projects	Department of Health	22-Jan-18	30-Jun-18	This project will evaluate and assess two projects of the DOH RO Mimaropa. One component is an evaluation of the five modalities of community based drug treatment and rehabilitation that DOH RO Mimaropa piloted in 2017. The other is an impact assessment of the DAP Leadership and Governance Course on the local government leaders and DOH staff in Mimaropa. The studies are formative evaluations that aim to inform and improve the design and implementation of these two projects. The research design is descriptive-evaluative and will employ data gathering methods such as document reviews, key informant interviews, FGDs, etc.
64	Promotions and Advocacy 2017	National Government	01-Apr-17	30-Jun-18	The Promotions and Advocacy Group is on the components of the Public Management Development Program (PMDP). It is created mainly to lead in promoting PMDP and pursuing advocacies anchored on the Program's mission, vision and objectives.
65	PMDP Middle Managers Class Batch 16 - Residential Training	National Government	03-Nov-17	30-Jun-18	The Public Management Development Program (PMDP) is an intensive program that provides comprehensive and multi-modal learning opportunities for public managers. Its objective is to promote career advancement and promote stability in the bureaucracy by producing a corps of development-oriented, competent, dedicated and honest government middle managers. In the fulfillment of its objective, it offers two development courses, one of which is the Middle Managers Class (MMC). It is offered to high performing, high potential division and section chiefs with salary grade (SG) 20 – 24. The Curriculum for the MMC has two phases: The Residential Training Phase and the Re-Entry Project Implementation phase. This Project covers the Residential Training Phase which consists of a 5-month in-house training at the DAP Conference Center in Tagaytay City and a 10 day community immersion in a selected rural community.
66	Training Course on Leadership and Management	Southern Philippines Development Authority	01-Jun-18	15-Jul-18	The purpose of this undertaking is to increase the capacity of SPDA in leadership and management. Specifically, the training aims for the participants to: A. Clarify the leadership and management roles and functions at the workplace. B. Articulate the basic concepts and principles of leadership and management. C. Prepare a leadership and management re-entry plan for implementation at the workplace.
67	Course on Basic Monitoring and Evaluation Batch 5	Public and Private	11-May-18	17-Jul-18	The course aims to equip government employees with necessary skills and knowledge on monitoring and evaluation of programs and projects. It will enable participants to perform quantitative assessment of their programs and projects using various tools.

88	Course on Monitoring and Evaluation for DOST-Planning and Evaluation Service	Department of Science and Technology	01-Jun-18	31-Aug-18	The Policy Research Office of the DAP-CFG is offering this Course on Monitoring and Evaluation to the staff of the Planning and Evaluation Staff (PES), as well as the planning officers and project development officers of DOST Regional and Executive Offices and its attached agencies. The course aims to equip the participants with the necessary skills in monitoring and evaluation (M&E), while fostering a common understanding on M&E concepts and theories, and updating their knowledge on the latest M&E trends and best practices.
89	Development of a QMS Certifiable to ISO 9001:2015 for the Zamboanga City Special Economic Zone Authority	Zamboanga City Special Economic Zone Authority	01-Mar-17	31-Aug-18	The project aims to facilitate the establishment of ISO 9001:2015 QMS for the ZAMBOECOZONE covering all its processes within its principal office in Zamboanga City.
90	Research on Service Quality of the Philippine Charity Sweepstakes Office (PCSO)	Philippine Charity Sweepstakes Office	01-Feb-18	31-Aug-18	The project seeks to: 1.Enhance the existing IMAP and prize claims survey questionnaire; 2.Gather feedback from a wider base of clientele by administering the survey at the head office, extension offices, and branch offices (Branch A and Branch B); 3.Determine factors affecting the satisfaction and dissatisfaction of the PCSO's customers and translate the observations to recommendations for quality improvement; and 4.Determine the level of satisfaction of PCSO's medical assistance beneficiaries and prize claimants.
91	Seminar-Workshop on Updating the Local Revenue Code	LGUs	23-Jul-18	31-Aug-18	The seminar-workshop aims to provide local government units (LGUs) with a more strategic, holistic and systematic view of their revenue generation and resource mobilization function to enable the Local Finance Committee to review their existing local revenue code; and come up with a draft updated local revenue code that can readily be used for stakeholders' consultation, and submitted for review and enactment of their respective Sanggunian.
92	Training Course in Learning Experience Design and Presentation Skills for the Public Sector (4D)	Public Sector	10-Feb-18	31-Aug-18	The Training Course in Learning Experience Design and Presentation Skills for the Public Sector or 4D is a 5-day training course designed for public sector managers and staff members whose work involves learning and development, public speaking, and presenting. 4D stands for Discover, Design, Develop and Deliver. It covers all the steps (from preparation to presentation) that every speaker undertakes in order to create and deliver a clear, informative, and persuasive presentation. The course is taught using a guided task approach that allows the learner to experience first-hand all necessary steps, while being guided, encouraged, and critiqued by an experienced coach.

#	PROJECT TITLE	CLIENT	PROJECT START	PROJECT END	PROJECT DESCRIPTION
93	Training on Basic Risk Management	NLAs and GOCCs	16-Jul-18	31-Aug-18	This training is a general introduction of Risk Management concepts for public managers. It is designed to allow the participants to appreciate the concept and perspective of RM and practice its tools and methodologies. As this will be both instructional and experiential for the participants, they will be able to elicit ideas on the usefulness of RM and reflect on how this can be replicated or conducted in their respective offices.
94	Technical Assistance to the Consultative Committee to Review the 1987 Constitution	Presidential Management Staff	09-Apr-18	31-Aug-18	The President created the Consultative Committee to Review the 1987 Constitution through Executive Order No. 10 (2016) which is expected to submit its output to the Office of the President before the 2018 State of the Nation Address. The consultative committee is tasked to study, conduct consultations, and review the 1987 Constitution, taking into account the needs, ideals and aspirations of the Filipino people. The Consultative Committee was formally organized and commenced its functions in February 2018. Nearly two months since the Consultative Committee commenced its work, it has deliberated multitudes of issues and concerns on the different aspects of the constitution. Given the tight schedule and deadline for submission of its output to the Office of the President, the Office of the Chairman of the Consultative Committee has requested the assistance of other government institutions, among them, the Development Academy of the Philippines, in finalizing the technical reports and proposed revisions to the constitution. The Development Academy of the Philippines, as a government instrumentality mandated to assist other government agencies particularly in the field of governance and policy review/formulation, has the capacity to provide technical assistance to the Consultative Committee for the consolidation and finalization of an evidence-based technical report and proposed revisions to the constitution.

147	Center of Excellence on Public Sector Productivity - 2018	Department of Budget and Management	01-Jan-18	31-Dec-18	The Center of Excellence (COE) on Public Sector Productivity (PP) serves as a hub of a "web of collaborators" on innovation and productivity in the public sector, within and outside the Philippines

#	PROJECT TITLE	CLIENT	PROJECT START	PROJECT END	PROJECT DESCRIPTION
148	Modernizing Government Regulations Program - Advocacy and Public Consultation Component, P4 (2018)	Department of Budget and Management	01-Jan-18	31-Dec-18	The component mainly deals with engaging both the industry and government sector in raising awareness on the need for regulatory environment improvement in the country. The activities of the component allow the participants to get acquainted with the pressing issues faced by the stakeholders in dealing with problematic regulations and its unnecessary requirements and processes.
149	GQMP: Government Best Practice Recognition	Public Sector	16-Apr-18	31-Dec-18	The GBPR is part of the advocacy and institutional development initiatives of the Academy, which is now a component project of the Government Quality Management Program (GQMP). The GQMP is a national government-funded program that promotes quality improvement in the public sector. The program was created through the issuance of Executive Order (EO) No. 605, Institutionalizing the Structure, Mechanisms, and Standards to Implement the GQMP. The goal of the GQMP is to effect improvement in public sector performance by ensuring the consistency of products and services through quality processes that can be achieved through an effective Quality Management System (QMS). Out of the five major activities of the GQMP, the GBPR is captured under the fourth activity: Public Sector Innovation Laboratory.
150	GQMP: Measuring Citizen Satisfaction and Development of Service Quality Standards for Frontline Government Services: "Malasakit para sa Mamamayan"	Public Sector	01-Jan-18	31-Dec-18	The general objective of the project is to develop an acceptable set of quality service standards for the government front line services by assessing the current status of service delivery in terms of identified quality dimensions and their attributes
151	GQMP: Development of QMS Manuals	Department of Budget and Management	16-Feb-18	31-Dec-18	The Government Quality Management Program (GQMP) was created to ensure wider adoption of quality management system across public sector organizations. As part of its commitment to provide advocacy and capability-building interventions to public sector organizations, the Development Academy of the Philippines (DAP) aims to develop and publish manuals that should provide guidance to public sector organizations in establishing ISO-Aligned QMS without spending too much on getting expensive third-party interventions.
152	Master in Public Management Major in Health Systems and Development Regular (Batch 1)	Department of Health	01-Aug-16	31-Dec-18	The Master in Public Management major in Health Systems and Development (MPM-HSD) is a 38-unit interdisciplinary graduate program for the Doctors to the Barrios (DTTBs) and health sector practitioners and professionals. It incorporates the Academy's distinctive features of combining both theoretical and practical cum functional competencies, as well as building stewardship values. Program graduates are envisioned to be health systems reform implementers and rural health development managers who will serve as change catalysts in their respective areas.

220	Research on the Implications of the Bangsamoro Organic Law on the Fisheries Sector	Philippine Council for Agriculture and Fisheries	18-Sep-18	20-Mar-19	This project seeks to study the implications of the passage and implementation of the Bangsamoro Organic Law (BOL) on the agriculture sector. Considering the asymmetric setup of the proposed Bangsamoro region, the passage and implementation of the Bangsamoro Organic Law (BBL) offers opportunities and risks to agriculture that are not present in the current political and administrative setup of regions, provinces, cities and municipalities, and thus calls for expert and participative consideration of the policy implications. This research will help PCAF manage the change from the present setup to the new, where a Bangsamoro region will be existing and operational.
221	Research on the Implications of the Bangsamoro Organic Law on the Agriculture Sector	Philippine Council for Agriculture and Fisheries	18-Sep-18	20-Mar-19	This project seeks to study the implications of the passage and implementation of the Bangsamoro Organic Law (BOL) on the agriculture sector. Considering the asymmetric setup of the proposed Bangsamoro region, the passage and implementation of the Bangsamoro Organic Law (BBL) offers opportunities and risks to agriculture that are not present in the current political and administrative setup of regions, provinces, cities and municipalities, and thus calls for expert and participative consideration of the policy implications. This research will help PCAF manage the change from the present setup to the new, where a Bangsamoro region will be existing and operational.
222	2018 Port Users' Annual Satisfaction Survey (PASS)	Philippine Ports Authority	01-Jun-18	31-Mar-19	The 2018 Port Users' Annual Satisfaction Survey (PASS) aims to measure the level of satisfaction of the port users (i.e. passengers and shipping lines) on the quality of services and facilities of PPA subsequent to the improvements that the PMOs have introduced as a response to the 2017 survey. The project will also evaluate the responsiveness of PPA to the needs of the port users.
223	Development of a Quality Management System Certifiable to ISO 9001:2015 for the Bureau of Soils and Water Management	Bureau of Soils & Water Management	02-Apr-18	31-Mar-19	The project aims to facilitate the establishment of ISO 9001:2015 QMS for the BSWM covering its management, operation and support processes in the Central Office and Three Selected Research Centers.

225	Enhancing Regulatory Management in Agriculture and Fisheries: A Benchmarking Study	Philippine Council for Agriculture and Fisheries	01-May-18	31-Mar-19	The study aims to identify ways and means to improve the regulatory management in the A&F sectors in the country. Specifically, it will look at the management process, the quality of regulatory services, and the support process of the regulatory management in the agriculture and fisheries (A&F) sectors in order to compare and recognize the disparity between the two (2) countries identified and that of the Philippines.' The study will focus on identifying indicators and documenting good practices of the regulatory management in the A&F sectors in the country/countries identified for benchmarking.
226	PMDP-Middle Managers Class Batch 17 - Re-entry Project	National Government	01-Mar-18	31-Mar-19	The Re-entry Project is a separate module of the PMDP. It is an integrating activity where the PMDP scholar draws from his/her significant experiences and his/her learning in the various courses and activities of the curriculum of the PMDP to address agency- or customer -specific concerns and opportunities. Through this activity, each scholar creates a space that enables him/her to demonstrate the extent to which he/she has internalized the concepts discussed in the program, mastered the skills developed and applies these as competencies appropriate and useful to the context of his/her workplace. The ReP gives the scholar the chance to formulate his/her strategies focused towards the achievement of pre-identified goals and objectives: to organize and to manage his/her project team either within his/her unit, inter-unit or inter-agency; to create and to implement a work plan that will deliver the desired results/outputs; to obtain the resources needed for implementation within the period set by the program and to evaluate this experience in light of his/her being a development manager.
227	PMDP Curriculum Enhancement 2018	National Government	01-Mar-18	31-Mar-19	The Curriculum Enhancement Component is responsible for data gathering and research on the improvement of the PMDP curriculum in terms of design and content. The component is also responsible for the program's technical writing and research related activities.
228	PMDP - Knowledge Management	National Government	01-Apr-18	31-Mar-19	The PMDP implements an intensive, long-running, residential training for Senior Executives and Middle Managers of government. This same Program likewise confers a Diploma in Development Management and Master in Development Management. To manage all the program knowledge resources including scholars' records, a Knowledge Management component of the PMDP is put in place.
229	Impact Assessment of the Department of Science and Technology (DOST) Small Enterprise Technology Upgrading Program (SETUP)	Philippine Council for Industry, Energy and Emerging Technology Research and Development	13-Aug-18	31-Mar-19	The general objective is to determine the effectiveness of SETUP in improving the productivity of its MSME beneficiaries, as gleaned particularly from the experiences of MSME beneficiaries. At the same time, the study will identify the best practices, including the lessons learned, from the program implementers and their partners.

230	Development of a Quality Management System Certifiable to ISO 9001:2015 for the Intramuros Administration	Intramuros Administration	09-Oct-18	09-Apr-19	The project aims to facilitate the establishment of ISO 9001:2015 QMS for the Intramuros Administration covering the provision of regulatory and commercial services, including management and support processes.
231	Competency Framework Development Course for the Department of Science and Technology - Regional Offices	Department of Science and Technology - Region 2	20-Nov-18	20-Apr-19	The Competency Framework Development Course aims to develop a good understanding of and essential skills in facilitating the development of the Competency Framework of an organization. This 32-hour course program adopts an experiential learning approach to enable participants to gain insights and a grounded conceptual knowledge of competencies as they go through the experience of developing the framework and the tools in the context of HR Management. Direct application of the learning is made possible by means of structured learning exercises designed to connect real work performance management scenarios. The course is intended for HR practitioners, corporate or agency planners, supervisors/managers and even process owners/developers who contribute to the performance management cycle of the organization but may still be useful to others who can use the competencies in directing and managing work performance in general.
232	Gender Profiling of the Land Transport Sector of the Department of Transportation (DOTr)	Department of Transportation	15-Jun-17	30-Apr-19	The proposed project shall revolve around the conduct of a gender analysis of the land transportation sector in select areas. It shall focus on the direct clientele of the DOTC: the MRT 3 riders, the LTO clients – applicants for drivers' licenses, and the LTFRB clients – the operators of buses, taxi, SUVs, jeepneys and school buses. The results of the study shall inform the development of appropriate gender-sensitive or responsive programs or projects that would address identified women's/gender issues and concerns in the land transportation sector.
233	PMDP - Middle Managers Class Batch 19 Residential Training	National Government	01-Sep-18	31-May-19	The Public Management Development Program (PMDP) is an intensive program that provides comprehensive and multi-modal learning opportunities for public managers.
234	Certificate Course in Management Analysis	Philippine Marine Corps	23-Nov-18	31-May-19	The Certificate Course on Management Analysis (CCMA) is an advanced program on how to effectively manage programs, people, partnerships and the process of communication. It will focus on using planning, leading, organizing, and controlling techniques to ensure smooth execution of programs, leadership and team building skills to enhance performance of people, networking and collaborative skills to ensure and maintain mutually beneficial partnerships, and effective communication techniques to enhance overall management capabilities.
235	Development of a Quality Management System Certifiable to ISO 9001:2015 for the LBP Leasing and Finance Corporation	LBP Leasing and Finance Corporation (LLFC)	30-Oct-18	31-May-19	The project aims to facilitate the establishment of the ISO 9001:2015 QMS for the LLFC, covering the provision of leasing and financing services to the LANDBANK and its clients, including the management and support processes in the LLFC's main office at Sycip Law Center 105, Paseo de Roxas St., Makati City.

236	Office of the Managing Director- Program Management-CY 2018	National Government	31-Jul-18	30-Jun-19	The NGCESDP -PMDP is an intensive, purposive, and continuing training program for incumbent executives and middle managers and their potential successors in the government bureaucracy. It aims to foster careerism in government and promote stability in the bureacracy by producing a corps of development-oriented , competent, dedicated and honest officials within the medium term. This supports President Duterte's commitment to lift the nation from poverty through honest and effective governance and to transform the government from one that is self-serving to one that works for the welfare of the nation. PMDP hopes to achieve the following. - Develop a keen appreciation of the vital role government executives play in the overall development process; -Produce competent government leaders committed to the welfare of their constituents and country's progress; -Foster a spirit of kinship, mutual support and harmony among government leaders for a common goal of a good life for all -Deepen the bench of successors to the incumbent government office executives to ensure smooth transition in case of promotions or vacancies and -Enhance the image of the Philippine government as an institution imbued with professionalism, integrity and honesty.
237	2018 Customer Satisfaction Survey and Development of Service Quality Standards for the Philippine Fisheries Development Authority	Philippine Fisheries Development Authority	07-Nov-18	30-Jun-19	The PFDA commissioned the DAP to conduct their 2018 Customer Satisfaction Survey which also includes the development of service quality standards. The general objective of the project is to develop an acceptable set of quality service standards for PFDA's front line services by assessing the current status of service delivery in terms of identified quality dimensions and their attributes. Specifically, it seeks to measure the satisfaction level of the transacting public on the front line services of PFDA and identify the "service gaps" between what clients expect or need from PFDA (expectations) and the level of service that they feel they actually receive (perception of service). The results of this study will provide a basis for PFDA in determining which service improvements are most required or desired and hence where limited resources need to be allocated. This is also very useful when developing priorities for agency plans.
238	Master in Public Management major in Development and Security Batch 12	Armed Forces of the Philippines	01-Aug-18	31-Jul-19	The Master in Public Management major in Development and Security (MPM DevSec) and the Armed Forces of the Philippines Command and General Staff College (AFPCGSC) is a joint program of the Development Academy of the Philippines (DAP) and the Armed Forces of the Philippines (AFP) through the approval of the Department Circular Nr 5. It is crafted as a twinning program for the mandatory mid career course of AFP officers before they are promoted to "06" position. The intensive degree programs seek to build the competencies of future leaders within the overarching framework of development and security.
