RATIONALE

The Academy instills Corporate Social Responsibility among all officers and staff and integrate sustainable development Agenda into its existing quality management processes within the Academy.

STATEMENT OF POLICY

The Academy supports the generally accepted principles of Environmental Protection and Sustainable Development (EPSD) and shall integrate and implement such principles in all aspects of its operations. In pursuit of this policy, the Academy commits to:

- (1) Develop, implement, and continually improve an Environment Management Program and its environmental objectives and targets;
- (2) Advocate the EPSD principles to other institutions and shall integrate and implement such principles in all aspect of its operations;
- (3) Comply with relevant and applicable environmental laws, regulations and multi-lateral environmental agreements; and,
- (4) Ensure that all stakeholders at all levels are made aware of and actively participate in the Academy’s Environmental Policy and Environmental Management Program.

OO-2021-001	ADOPTING ENVIRONMENTAL POLICY IN THE ACADEMY	Page 2 of 2 pages
-------------	---	-------------------

The DAP Management and all employees fully commit to the Environmental Policy and shall acknowledge their responsibility and accountability towards respecting the environment and delivering sustainable environmental standards within the Academy.

EFFECTIVITY

This Office Order shall take effect immediately and shall remain in force unless otherwise amended, revoked earlier or renewed. Likewise, all issuances inconsistent with this shall be deemed superseded.
